#### **AUDITORS' REPORT TO THE MEMBERS**

We have audited the annexed Balance Sheet of APOLLO TEXTILE MILLS LIMITED as at June 30, 2017 and the related Profit and Loss Account, Statement of Comprehensive Income, Cash Flow Statement, and Statement of Changes in Equity together with the notes forming part there of, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that —

- i. The company has stopped its operations since the closing of financial year 2014 and during the year ended June 30, 2017 the company sustained after tax loss of Rs. 79.080 million and its accumulated losses stood at Rs. 77.396 million. These events indicate a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and therefore the Company may be unable to realize its assets and discharge its liabilities in the normal course of business. The financial statements have been prepared on going concern basis but, in our opinion, management's use of going concern assumption in the financial statements is inappropriate.
- ii. As disclosed in note 15.1 and 15.2 of the financial statements where it has been mentioned that the stocks of raw cotton and cotton yarn was misappropriated by the banks and their muqaddams amounting to Rs 298,517,457 and Rs 985,083,102 respectively which were pledged with various financial institutions. The company has filed suits against them in the Honorable High courts for the recovery of value of misappropriated stocks as disclosed in the aforesaid note. We would also like to draw your attention towards note 12.1.1 to 12.1.8 which describes the matters relating to the stocks and the pending suits filed by and against the company.
- iii. As disclosed in note 12.1.1 to 12.1.8 of the financial statements where it has been mentioned that there are suits filed against the company.
- iv. We have sent various confirmations to banks/financial institutions and legal advisors for the confirmation of long term finances, margin on bank guarantees, liabilities against assets subject to finance lease, short term finances, bank balances and contingencies and commitments reported in the financial statements. However we did not receive any replies from them.

- v. The company has not charged finance cost on long term finances, short term finances and finance lease obtained from banks / financial institution and also the current maturity of long term finances has not been made in the financial statements by the company.
- vi. The company is following revaluation model to value land & buildings and plant and machinery as per the requirements of IAS 16. However, the company has not carried out any revaluation since May 31, 2005. Further, the recoverable amount of surplus on revaluation of fixed assets is dependent upon continued operation of the Company.
- vii. The company is operating an unfunded gratuity scheme and is following actuarial valuation to calculate provision as per requirement of IAS- 19. However, the company has not carried out actuarial valuation since June 30, 2009.
- viii. We were unable to obtain appropriate evidence as to the most of the assets and liabilities.

As a result of the matters stated above, we were unable to determine whether any adjustments might have been found necessary in respect of recorded or unrecorded inventories, long term finances, margin on bank guarantees, short term finances, liabilities against asset subject to finance lease and property, plant and equipment and the elements making up the profit and loss account, statement of comprehensive income, cash flow statements and statement of changes in equity.

Because of the significance of the matters discussed in paragraphs i - viii above, we are unable to form an opinion as to whether:

- (a) proper books of accounts have been kept by the Company as required by the Companies Ordinance, 1984;
  - (i) the balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984 and are in agreement with the books of account and are further in accordance with accounting policies consistently applied;
