INDEPENDENT AUDITOR'S REVIEW REPORT

To the Members of : APOLLO TEXTILE MILLS LIMITED

Report on Review of Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **APOLLO TEXTILE MILLS LIMITED** (the Company) as at December 31, 2020, the related condensed interim statement of profit or loss and statement of other comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flows and notes to the condensed interim financial statements for the half year then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditors of the Entity". A review of interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Adverse Conclusion

1. We have been unable to obtain appropriate evidence as to assets, liabilities and expenses.
2. The Company has stopped its operations since the closure of the financial year 2014 and since then has been sustaining losses. These events indicate a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and therefore the Company may be unable to realise its assets and discharge its liabilities in the normal course of business. The financial statements have been prepared on going concern basis, but in our opinion the management's use of going concern assumption is inappropriate.
3. The Company has not charged finance cost on long and short term borrowings as well as on finance lease obligations. The current maturity of long term borrowings has also not been properly shown in the financial statements,
4. The Company has been following revaluation model to present land and buildings and plant and machinery as per requirements of IAS 16. However, the Company has not carried out revaluation since May 31, 2005. Further, forced sales value of assets subject to revaluation has also not been disclosed as per Fourth Schedule to the Companies Act, 2017.

5. The Company has been operating an unfunded gratuity scheme and has been following actuarial valuation to calculate provision as per requirements of IAS 19. However, the company has not carried out actuarial valuation since June 30, 2009.

Adverse Conclusion

Our review indicates, *because of the matters described in the preceding paragraph, these condensed interim financial statements are not prepared*, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other Matter

The figures of the condensed interim statement of profit or loss and other comprehensive income for the quarters ended December 31, 2019 and 2020 have not been reviewed as we were required to review only the cumulative figures for the half year ended December 31, 2020.

The engagement partner on the review resulting in this independent auditor's review report is **SAUD ANSARI**.
